WHY CELIBACY? RECLAIMING THE FATHERHOOD OF THE PRIEST *Fr. Carter Griffin*

Fr. Carter Griffin argues that the ancient practice of celibacy, when it is lived well, helps a priest to live his spiritual fatherhood joyfully and fruitfully. On the way, he takes up the question of optional celibacy, some pitfalls of celibate paternity, and the selection and formation of candidates for healthy, life-giving chaste priestly fatherhood. He also considers the significant gifts that would be lost to the Church—and the world—should the requirement for celibacy be modified.

9781949013313 | Hardcover: \$24.95 | **ebook available**

“This book is so needed in the Church at this time. Seminarians who read this will be excited about the gift of celibacy, and priests will be renewed in their commitment!”

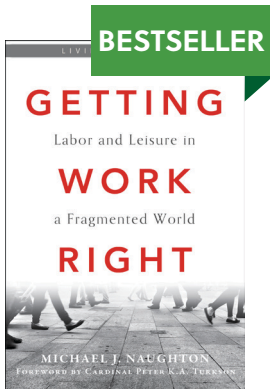

– **Fr. Brett Brannen**, Author of *To Save a Thousand Souls* and *A Priest in the Family*

GOD WITH US Encountering Jesus in the Gospel of Matthew *Edward Sri*

Much has been said about why Jesus died. This book focuses on why Jesus lived. *God with Us: Encountering Jesus in the Gospel of Matthew* shows that Jesus didn't just come to be our teacher, a miracle worker or prophet, or even just Israel's savior and redeemer. Jesus is Emmanuel, God with us. Notable Scripture scholar Edward Sri leads readers on a faithful exploration of Jesus's kingdom-building mission and how it revealed God's presence, which remains with us today.

GETTING WORK RIGHT Labor and Leisure in a Fragmented World *Michael J. Naughton*

The divided life is a temptation so built into our society, we may not even recognize it. Yet most of us fall prey to it. We either undervalue work, resenting it as simply a job, or we overvalue it as an identity-defining career.

Michael Naughton, drawing on his background in both business and theology, proposes that the key to finding balance is another important human activity: leisure. In light of leisure—not mere amusement, but time for family, silence, prayer, and above all, worship—work becomes a space where men and women can find deep fulfillment..

BEHOLD THE CHRIST
 Proclaiming the Gospel of Matthew
Leroy A. Huizenga

In *Behold the Christ: Proclaiming the Gospel of Matthew*, Leroy A. Huizenga reveals the significance of St. Matthew's Jesus: He is Emmanuel, God with us always, who saves his people from their sins by dying for them. In showing how Jesus fulfilled the Old Testament, gave us a way to live, and taught us how to follow the narrow way to the kingdom of heaven, St. Matthew modeled the fourfold way of reading Scripture according to letter and spirit.

THE EUCHARIST FORETOLD
 The Lost Prophecy of Malachi
Mike Aquilina

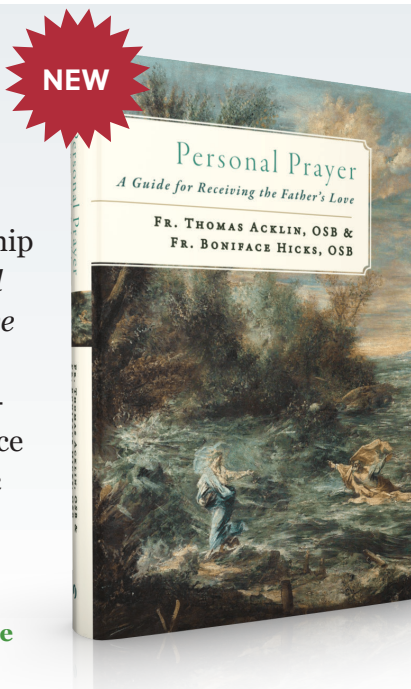

One Old Testament passage seized the imagination of the early Church—and directed Christian hearts and minds toward the Eucharist. It was the oracle of Malachi 1:11, and it was cited (like Isaiah's Suffering Servant oracles) to prove the identity of the Messiah through His Church and His Sacrament. In *The Eucharist Foretold: The Lost Prophecy of Malachi*, Mike Aquilina reveals that this ancient prophecy has more to do with us today than we might think. The Messiah's true identity—and the identity of the Eucharist—helps us find our identity as “catholic”; and will lead us to discover our roots in the religion of ancient Israel.

PERSONAL PRAYER
 A GUIDE FOR RECEIVING THE FATHER'S LOVE
Fr. Thomas Acklin, OSB
 and *Fr. Boniface Hicks, OSB*

What does it mean to have a personal relationship with God? How do we grow in prayer? *Personal Prayer: A Guide for Receiving the Father's Love* presents the path to an intimate and vulnerable relationship with God. Experienced spiritual directors Fr. Thomas Acklin, OSB, and Fr. Boniface Hicks, OSB, explore the many forms of Catholic prayer and demonstrate that vulnerability is essential to growing in relationship with God.

9781645850236 | Hardcover: \$27.95 | **ebook available**

“In a sense, this is a ‘how to’ book of the best sort: a simple, practical guide for learning how to pray. But it’s also vastly more than that: An eloquent, intimate, and deeply persuasive invitation to seek out a personal relationship with the Father who made us, and to master the art of immersing ourselves in the love of God.”

- **Archbishop Charles J. Chaput, O.F.M. Cap.**, Archbishop of Philadelphia

The Adventure of Discipleship
Daniel A. Keating

Jesus tells us that to be his disciple we must surrender everything and, with his grace, brave the path provided for us by God. Such a sojourn will surely be marked by joy, suffering, uncertainty, and—above all—adventure. Accordingly, *The Adventure of Discipleship* presents the Gospel through the lens of great adventure stories—from J.R.R. Tolkien’s *The Lord of the Rings* and C.S. Lewis’s *Chronicles of Narnia* to popular adventure movies, comic book superheroes, and TV series. While these stories we create and read and retell are but reflections and refractions of the great adventure of discipleship, they provide us with genuine insight into life with Christ.

THE CREED

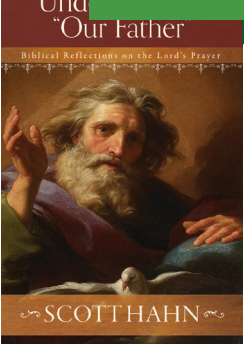

Professing the Faith Through the Ages

Scott Hahn

Why were the early Christians willing to die to protect a single iota of the creed? Why have the Judeans, Romans, and Persians—among others—seen the Christian creed as a threat to the established social order? In *The Creed: Professing the Faith Through the Ages*, bestselling author Dr. Scott Hahn recovers and conveys the creed's revolutionary character. Tracing the development of the first formulations of faith in the early Church through later ecumenical councils, *The Creed* tells the story of how the very profession of our belief in Christ fashions us for heavenly life.

THE FIRST SOCIETY

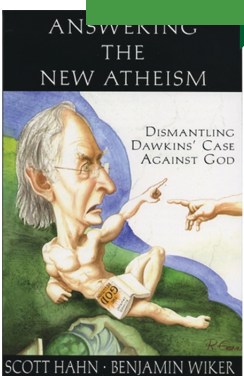

The Sacrament of Matrimony and the Restoration of the Social Order

Scott Hahn

Everyone seems to agree that Western Civilization is in trouble. The problem is that no one agrees on what has gone wrong or what to do about it. Some think we have too much government, some not enough; some think we have too much capitalism, some not enough; some think we have too much sexual freedom, some not enough. But what if the problem is much more fundamental? What if the problem goes to the very foundations of who we are as human beings in relationship with God? In *The First Society: The Sacrament of Matrimony and the Restoration of the Social Order*, Scott Hahn makes the startling claim that our society's ills and its cures are rooted in whether we reject or accept the divine graces made available through the Sacrament of Holy Matrimony.

THE BIBLE *and the* SACRAMENTS

Edición
en español

The Bible and the Sacraments is unlike any other study on the sacraments. Certainly it looks at the basic teaching of the Church as to their meaning and origin. But it goes further, investigating the deeper mystery of the sacraments as illuminated by Sacred Scripture. The sacraments are more than mere earthly rituals: they are incredible “powers that come forth” from the Body of Christ” (CCC 1116). The goal of *The Bible and the Sacraments* is to reveal where the sacraments come from, what they mean, and why they are so important and foundational to our Catholic faith.

If you've ever wanted an easy-to-understand, orthodox overview of teachings that every Catholic should know, the Formed in Christ series offers just that.

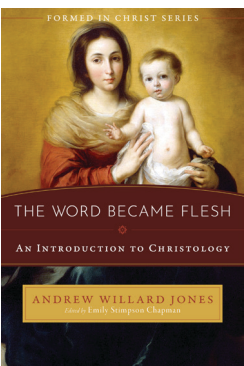

Each book in the series can be read individually for an in-depth introduction to a range of topics, from the sacraments to morality to Christology. But what makes this series particularly exciting is its design for a systematic introduction to the key teachings of the Catholic Church. Reading the entire study from start to finish won't just fill in the gaps of your high school religion classes—it will give you the kind of foundation you would get from a college degree in theology. In addition to your own personal study, these are ideal for high school and religious education, as well as for any Catholic looking to deepen their own understanding of the faith.

EVIDENCE OF THINGS UNSEEN
An Introduction to Fundamental Theology
Andrew Willard Jones, Louis St. Hilaire

The human person was made to be in relationship with God. Each of us was made to know him, love him, and serve him. *Evidence of Things Unseen: An Introduction to Fundamental Theology* explores how God has laid the foundation for this relationship by revealing himself to us in nature, Scripture, and above all, in the Person of Jesus Christ. Drawing upon the writings of the early Church Fathers, the Doctors of the Church, and the documents of the Second Vatican Council, this book presents the basics of theology, beginning with how we can know of God's existence to how we are to read, understand, and interpret Sacred Scripture.

THE WORD BECAME FLESH
An Introduction to Christology
Andrew Willard Jones

Jesus Christ is the fullness of Revelation. In him we see the face of God the Father. In him we also see ourselves—who we were made to be and who we are called to be. This book studies the Person of Jesus Christ in time and eternity, finding him in both the pages of Sacred Scripture and the teachings of the Catholic Church.

Beginning with an exploration of Revelation and the nature of faith, *The Word Became Flesh* surveys the Bible, looking at the life and teaching of Jesus in history. It also examines who Jesus revealed himself to be, what he revealed about the Holy Trinity, and how that revelation touches our own lives today as we strive to answer Jesus' call to discipleship in the world.

THAT YOU MIGHT HAVE LIFE
An Introduction to the Paschal Mystery of Christ
Louis St. Hilare

Before God created the heavens and the earth, he had a plan for humanity—a plan to adopt us as his children and share his divine nature with us. *That You Might Have Life* unpacks that plan, tracing God’s movements in history from the Garden of Eden to the Garden of Gethsemane. Starting with the creation of the world and our first parents, *That You Might Have Life* introduces God’s plan for humanity from “the beginning.” It then shows how that plan continued, and how each of us enters into that plan through a life of discipleship.

I WILL BUILD MY CHURCH
An Introduction to Ecclesiology
Andrew Willard Jones

The mission of Jesus Christ wasn’t simply to draw us into a personal relationship with him; it was to make us part of a family—the family of God. *I Will Build My Church* explores the life, mission, and nature of that family, which is the Church. Drawing upon both the words of Scripture and the writings of popes, bishops, saints, and ecumenical councils, *I Will Build My Church* introduces a Church that is both divine and human, planned for from all eternity, revealed in time, and active in the world today.

DO THIS IN REMEMBRANCE
An Introduction to the Sacraments
Jacob W. Wood

Jesus Christ isn’t a distant God. Through the Church’s sacraments, he remains ever close and ever present to those who follow him. *Do This in Remembrance of Me* surveys the seven sacraments, showing how each is a privileged encounter with Christ in the here and now. Beginning with an examination of the sacramental nature of the Church, *Do This in Remembrance of Me* helps make clear Christ’s presence and activity in the Sacraments. It provides the scriptural basis and historic development of the sacraments, sheds light on how they are celebrated, and presents the effects they have in the life of the believer.

CHRIST ALIVE IN US
An Introduction to Moral Theology
Emily Stimpson Chapman, John Meinert

Jesus Christ calls us to know and follow him. But what does that mean in the life of each individual believer? *Christ Alive in Us* answers that question, examining the nature of discipleship as expressed through the Church’s moral teachings. Starting with an explanation of the fallen human condition, *Christ Alive in Us* looks at the nature of sin, the pull of vice, the gifts of grace, and the life of virtue. As it walks through the moral teachings expressed in both the Old Law and the New, it explores how these apply to the moral challenges we face in our everyday lives. It also defines the role of conscience, the sacraments, and the Church in moral decision-making.

Lawrence Feingold

The Eucharist: Mystery of Presence, Sacrifice, and Communion explores the three ends of the Sacrament of Sacraments: God’s true presence, His redemptive sacrifice, and spiritual nourishment through communion with Him. Lawrence Feingold constructs a biblical vision of the Eucharist from its prefigurement in the Old Testament to its fulfillment in the New and presents the Eucharistic theology of the Church Fathers, St. Thomas Aquinas, and magisterial teaching from centuries past through today. *The Eucharist* is a masterful text, both challenging and spiritually rich, that comprehensively examines the unspeakable mystery that is the Eucharist.

THE BIBLE AND CATHOLIC RESSOURCEMENT
Essays on Scripture and Theology
William M. Wright IV

The essays in this collection all concern the interpretation of Scripture in relation to the Catholic *Ressourcement*. A theological renewal movement that began in the early twentieth century, the *Ressourcement* movement centered on a “return to the sources” such as Scripture, the Church Fathers, and liturgy. The point of such a return was to discover in these sources the wisdom, truth, and spiritual insight which could speak meaningfully to contemporary challenges.

Brotherton's *One of the Trinity has Suffered* evaluates and revises von Balthasar's theology of divine suffering in light of twentieth-century Thomistic theology, as well as the thought of Pope Emeritus Benedict XVI (Joseph Ratzinger) and Pope St. John Paul II. LITURGICAL MYSTICISM

David W. Fagerberg

HOW THE CHOIR CONVERTED THE WORLD
Through Hymns, With Hymns, and In Hymns
Mike Aquilina

Music is the most effective delivery system for feelings—love, joy, sadness, glory. The early Church Fathers knew that music also has power over minds, and they used that power to maximum effect, writing hymns through which the early Christians would learn, retain, and spread the Gospel message. Bestselling author Mike Aquilina demonstrates how the earliest Christians used music to transform a world that desperately needed transforming.

APOLOGETICS AND THE CHRISTIAN IMAGINATION
An Integrated Approach to Defending the Faith
Holly Ordway

Holly Ordway shows how an imaginative approach—in cooperation with rational arguments—is extremely valuable in helping people come to faith in Christ. Making a case for the role of imagination in apologetics, this book proposes ways to reintroduce meaning for Christian language that has become jargon, suggests how to discern and address the manipulation of language, and shows how metaphor and narrative work in powerful ways to communicate the truth.

IN DEFENSE OF NATURE
The Catholic Unity of Environmental, Economic, and Moral Ecology
Benjamin Wiker

Ecology calls to mind nature “out there”—trees, rivers, oceans, animals, birds, the air, distinct ecosystems. But as Benjamin Wiker argues, an obvious part of nature has been mysteriously left out of the environmental movement: our own nature—human nature, especially its essential moral aspects. *In Defense of Nature* allows both the Left and the Right to see what the other sees so clearly, and how it all fits together, from toxic landfills and global warming, to internet addiction and human trafficking.
