

Video Bible Study FAQ for Leaders

- **Which materials should I purchase to facilitate this Bible study?**
We recommend that you purchase one leader bundle for the study leader, and one participant bundle for each participant. Any other books shown on the study's information page are suggested further reading, not at all necessary for completing the study.
- **What is included in the participant bundle?**
The participant bundle includes 1 participant workbook and 4 months of free streaming (online video access) for that participant.
- **Can I purchase the participant guide separately without the streaming?**
No. The streaming is completely free and optional for each participant, so there is no need!
- **What is included with the leader bundle?**
The leader bundle includes one leader guide and access to the videos (your choice: either 1 year of streaming, or the DVD set.)
- **What is included in the leader guide?**
The leader guide contains all the material included in the study guide plus prepared prayers, step-by-step directives for each lesson, additional background information, and an answer key.
- **Is there a bulk discount for workbooks?**
Yes. The bulk discount is added automatically when you order from the website. The discount is as follows:
 - 15% off 20 or more workbooks
 - 20% off any quantity of workbooks with purchase of a leader bundle
- **If I order participant bundles in bulk, how will my participants access their free streaming?**
We will send you an email with participant streaming instructions about a week after you order. Each participant's 4 months of streaming starts when that participant completes the instructions, NOT when you place the bulk order.
- **Who is the main presenter of this particular study?**
 - Bible and the Sacraments, Bible and the Virgin Mary, Bible and the Church Fathers, Genesis to Jesus: presented by Matthew Leonard
 - Holy is His Name, Parousia, Eucharist in Scripture: presented by Dr. Scott Hahn
- **Can I look at a sample?**
The full first lesson of the leader guide, participant guide, and videos can be found on our website for free. Follow this link, find the study of interest, and click Learn More:

- **Which study do I start with?**

Journey through Scripture studies can be done in any order. That being said, here is a suggested flow for these studies:

- **Genesis to Jesus:** This study gives the participant the “lens” to read and interpret Scripture, through the Heart of the Church. An excellent place to start!
- **Bible and the Sacraments:** this is ideal for RCIA especially when going over the sacraments of initiation. This can also be good for youth group/Confirmation classes.
- **Parousia: The Bible and the Mass:** This study goes deeper into where the Mass is found in Scripture using the pre-figurations from the Old Testament, most of which are covered in “Genesis to Jesus.”
- **Bible and the Virgin Mary:** during the month of May or October, the month of the Rosary, many groups do this study, especially if you have a rosary group or Legion of Mary hosting.
- **Bible and the Church Fathers:** a good capstone study, showing how the Church learned to read and interpret Scripture as shown in “Genesis to Jesus” and other studies.
